This will take from **35 to 1 hour depending on point of beginning.**

Travel North on Hwy 59 to Foley

At the main intersection in downtown Foley turn left on US 98 (there is a traffic light) Travel several miles through Magnolia Springs

At the point where US 98 makes a sharp right, you are given the option to continue straight on Scenic Hwy 98. Do not take the US 98 right

Continue straight on Scenic Hwy 98

Travel several miles. There will be a sharp turn on the road, continue.

At another sharp turn, there is a caution light and immediately after, on the left, there is the entrance to the Marriott Grand Hotel.

From that point you are EXACTLY 1.5 miles to our driveway.

If you can, measure distance with your odometer.

Landmark:

Just before our entrance, there is a small commercial subdivision with 5 small buildings on the RIGHT side of the road. The street sign is Sweetwater Circle.

Our driveway is 100 feet **on the left** (west side of road) immediately after Sweetwater Circle.

Since we are very private, we have no sign on the road stating that we are a B & B

The name FELLERS COVE is on the mailbox.

Also, we normally fly a banner according to the season.

Turn left into the driveway. At the end, park, stay on ground level and follow the path on the left side of the house to the covered deck.

The entrance to the Common Room is by the fireplace.

Come in and make yourselves at home. All bedrooms are upstairs and are clearly marked.

Information about the B&B is found in a binder in each room.

We look forward to serving you. It is our hope that you will enjoy a memorable stay at Fellers Cove and our village of Fairhope.
